

Frequently Asked Questions about the De Anza Arroyo Association (with answers)

Q: Why do I have to sign up for Arroyo events?

A: The preparation for each event requires shopping for food and setting up tables/chairs to accommodate all attendees. So, it's nice to know how many residents will be joining us. The Arroyo wants to make sure there is a seat at the table for every resident who shows up, and enough food for everyone.

Q: Why the \$10 per person dues?

A: We do receive some annual funding from management. The dues allow us to stretch the budget for additional events at less cost to attendees. Last year your dues allowed the Arroyo to become more sustainable by funding the rental of glasses and purchase dinner plates and flatware.

Q: I already paid my HOA dues. Why do I pay the Arroyo also?

A: We are two separate resident organizations. Your Arroyo Association is the social organization which plans and executes residents' social events at De Anza. Annual dues are \$10 per person payable March 1.

Q: How can I become involved in the Arroyo?

A: All residents are welcome (we'd love it, actually) to attend the monthly meetings. Scheduled events dictate our meeting schedule, so it's best to email [**DeAnzaArroyo@gmail.com**](mailto:DeAnzaArroyo@gmail.com) for updated information. Let us know if you would like to just assist occasionally. That's great too.
